

Item SWULS610STAT Shown

## STAT Adhesive-Seal Specimen Bags by Uniflex

- Specimen bags provide a liquid-tight, tamper-evident closure and easy-open tear line that is clearly identified, making them both secure and easy-to-use
- Designed with an exterior pocket to hold documents or reports that need to travel with the specimen
- Adhesive PULL-N-SEAL closure allows the bag to close and "self seal" by simply peeling the liner
